LINE-OF-BATTLE SHIP.

The object of this paper is to present, every week, an agreeable melange of the notable events and literature of the times. Its ample columns will always contain a goodly store of popular Original Tales, Sketches of Adventure on Sea and Land, and Poetic Gems, by the EEST AMERICAN AUTHORS.

Also, the cream of domestic and foreign news, so condensed as to present the largest possible amount of the intelligence of the day; the whole well spiced with HUMOR. Each edition will be BEAUTIFULLY ILLUSTRATED with sectarate engravings, by eminent artists, of notable objects, current events in all parts of the world, and the mational customs and social pecul isrities of every people. It will contain views of every important city, of edifices of note in the eastern and western hemispheres, of all the principal ships and steamers of the Nay and Merchant Service; with time, accurate portraits of every great public character, male and female. Sketches of nicturesque scenery, representations of "life on the wave," and exact illustrations of admirable or curious specimens from the animal kingdom, will also be given. ISABELLA ORSINI.

A new and brilliant Historical Novel, by F. D. Guerrard, author of "Beatrice Cend." Translated from the original Italian by Luizi Monti of Harvard University. Elegantly bound in musiks, with a superb Steel Portrait from the celebrated Drawing by Fraschert. Frice, \$120.

Extract from an article in The Bouton Courier by Professor C. C. Felton of Harvard College.

"There can be no question that these novels of Guerrard are of marked and high literary merit. Their estyle is clear, pure and vigorous. The power of the author is shown in his brilliant pictures, his vivid descriptions, and his brief energetic expressions of feeling. His characters are drawn with short, sharp strokes, as with the point of a sword. The reader becomes a spectator. From his post of observation he sees a drama enacted before him; the scenery and costumes are perfect; there is a foarful carnestness and vitality in the performers. With parted lips, and check growing palor, he watches with eagerness the progress of the action till the curtain falls."

VERNON GROVE: OR, HEARTS AS THEY ARE.

OR, HEARTS AS THEY ARE.

A fresh and glowing American fiction by a prominent Southern Authoress. Eigantly bound in massim. Price, \$1.

From Critique of Southern Literary Messenger.

"The novel of Vernon Grove is in our judgment the best yet produced by an American lady. In no American fiction has the interest been maintained with such power. Pathos is the quality most at the writer's command. The incident of Eva's blindness is narrated with wonderful and startling naturalness, and affects the reader face, we think, than the similar occurence in the case of Murici in "John Halifax Gentleman." It is to be regretted that Vernan Grove, which was written before the appearance of Miss Mulich's well-known novel had not also appeared before it, so that all imputation of plagtarism might have been avoided. We congratulate the publishers on having one of the most successful works of fiction which the country has yet produced."

I have no doubt you are laying the world under great and fasting obligation."

A reatterman of fifty years, well and favorably known at Delhi, Delaware County, N. 7, had been a martyr to the Piles for twenty years. Sometimes, from excessive hemorrhage, pain, and suffering, he was reduced to the verge of the grave. For yours he had dragged out a miserable existence, a continued invalid disqualified for any huminess, and life almost a burden. It is needless to add that he had tried all sorts of remedies, from all sorts of doctors, to little purpose. He consulted me two years ago, and I recommended our Pitts Spruisic, with occasionally a Dyserpara Pitts. From this he began to improve, and since has never had a serious turn of piles. From the first mouth up to a year past, he had occasionally symptoms of his old complaint; but a few doess of the Pitts Pitts would disperse it all, and for more than a year past he has been entirely well of the piles. A more brilliant cure is scarcely to be found in the annals of medicine.
